General Comment

Please leave option trading in retirement accounts ALONE! I have been selling puts and calls in my IRA for the last 3 years and it has increase the value in this account my 10-20%! It has lowered my risk and provided steady income! When used correctly options can be very beneficial for the investor. Please keep hands off!

What do the representatives that we send to Congress say on this matter? Per the USA Constitution, Congress is the only body that can make LAW! Thank you.
